About the School

Established: 1996

🌟 **Khulna University School – A Center of Excellence in Education**
Khulna University School was established in 1996 to serve the academic needs of the university community. Over the years, it has grown from a small initiative into a full-fledged institution offering a broad curriculum. Established under the direct patronage of Khulna University, Khulna University School is a prestigious educational institution located within the serene campus of Khulna University. The school is committed to nurturing young minds through a balanced curriculum that integrates academic excellence with moral, social, and cultural development.

Since its inception, the school has been known for maintaining high academic standards, discipline, and a strong emphasis on extracurricular activities. The faculty comprises experienced and dedicated teachers who ensure that students receive quality education in a supportive and inclusive environment.

From Class 6 to Class 10, students are guided through the national curriculum with a focus on science, humanities, and commerce at the secondary level. The school fosters a learning environment that encourages creativity, critical thinking, and responsibility — preparing students to become confident and capable citizens.
